As we reflect on another year of serving our community, we are reminded of the invaluable role our library plays in fostering knowledge, creativity, and connection. Thanks to supporters like you, The **Greenburgh Public Library** has been able to offer a wide range of programs and services that enrich lives and strengthen our community.

This past year, Library concerts, workshops, special events, and digital collection development were only made possible through fundraising support. These initiatives have not only inspired lifelong learning but also provided a safe and welcoming space for everyone in our community.

However, we cannot do it alone. Your generous support is crucial for us to continue these vital services. This year, we are seeking to raise \$20,000 through our joint Annual Appeal. With your help, we can purchase and install soundproof meeting room pods that provide an effective space for group study work and meetings.

Every donation, no matter the size, makes a significant difference. Here's how your contribution can help:

- **\$50** can provide new books for our collection.
- **\$100** can fund a workshop or program for children or adults.
- **\$250** can help us upgrade our technology resources.
- **\$20,000** can procure and install a meeting room pod.

We invite you to make a gift to ensure that our library remains a thriving hub of learning and community engagement. Please donate today.

Thank you for being a vital part of The **Greenburgh Public Library**. Together, we can continue to inspire curiosity and foster a love for reading in our community.

With gratitude,

*The Greenburgh Library Guild and The Friends of the Greenburgh Library*

*The Guild and The Friends are tax-exempt, non-profit organizations that raise private funds for special projects not included in the Library's annual budget.*
